

Scott & Sons Ltd / 1st 4 Cleaning

Integrated Environmental & Quality Management System

- A) Scott & Sons Ltd / 1st 4 Cleaning aims to provide services and products that are competitively priced, fit for purpose, free of defects, and delivered on time; with minimal impact on the environment before, during and after completion of works.
- B) To achieve these goals our company operates an integrated Environmental & Quality Management System (EQMS) to the requirements of ISO14001:2004 and ISO9001:2008

We are committed to comply with these and other legal requirements to continually improve the effectiveness of our management system.

- C) Environmental and Quality objectives are established and reviewed using the EQMS framework.
- D) The quality management system is fully supported by the management and has been communicated to all employees through training and awareness programmes.
- E) The system is regularly reviewed for it's relevance and effectiveness by our management team and independently assessed by a recognised UKAS accredited certification body.
- F) This EQMS Policy is communicated to all persons working on behalf of the company and..
- G) ...is available to the public on our website www.scott-sons.co.uk
